

# FAMILY INVOLVEMENT

**Please join our private “Family involvement Group” on Facebook to stay up to date on plans and information. You can add any FAMILY members that you believe would like to be involved with the CDC, but please be thoughtful of who you add as some confidential information may be shared.**

Unfortunately, we are unable to have in person meetings currently. We hope this will change at some point this year! I try my best to keep information up to date on the Facebook group.

The purpose of this group is to keep communication open between teachers and parents. We also LOVE to spoil our teachers and provide them with breakfast 1 Friday a month and little treats throughout the year. Please never hesitate to reach out to me with ideas!

We are also responsible for facilitating fundraisers throughout the year as well! We already have a few lined up, but more information will be going home once school starts.

## **Upcoming Fundraisers –**

October 2<sup>nd</sup> – Ingrid’s Cupcakes (pick up day)

October 15<sup>th</sup> – T-shirt orders/money due

October 22<sup>nd</sup> – Fun Pasta Fundraiser closes

Spring/Easter – Sweet Revenge Cookie Kits/Cinnamon Rolls

## **Teacher Breakfast --**

The first teacher breakfast will be September 24<sup>th</sup>. Again, we are not able to be inside the building to serve our teachers. Last year, families donated funds and I provided the breakfast from these funds every month. We did things like bagels and cream cheese, donuts, silver dollar biscuits, etc. This worked really well, and I would love to keep with the same plan this year! I will share my PayPal, Venmo and CashApp names on the Facebook group for those who would like to donate. If you do not use these apps, please message/email me directly and we can discuss other option.

Thank you SO much for your support! Last year was a HUGE success because of you all! Please never hesitate to reach out with ideas or concerns!
